WEDDING & EVENT CATERING

TOWN HEAD

Where it all started

My parents Karen & Phil started Karen Rhodes Weddings & Events back in 1992 when I was only a baby. Mum presumed that as weddings only cover one day, with a bit of planning she could easily fit this around a small baby.

How wrong can you be! Weddings take over your whole life, you are emotionally connected to the couple and their family for usually well over a year and are involved in nearly every decision made. You become their confidant and they become your friend.

Over the years the business has evolved from small dinner parties out of my Grandad's pub, the Hare and Hounds at Bowland Bridge, to weddings of all shapes and sizes and even corporate events with UB40 up to 1000 guests.

Although Mum sadly passed away in May 2020, she is the ultimate inspiration behind everything we do in and out of the business. Her sheer determination and zest for life is what continues to drive us to be the best we can be.

When planning a wedding you need people on your side that care. We're a local family run company who really care about what we do and making sure you have THE best day!

Testimonials

"To Charlotte, Phoebe and the Karen Rhodes Team,
Thank you so much for being a part of our big day! I can't begin to tell you how many compliments we've had from our guests about how wonderful the wedding breakfast was - especially the steak!
I also want to say thank you for just being the best suppliers to work with. We felt so at ease and relaxed knowing that had everything under control. Thank you for helping us with ideas and recommendations, offering us advice and who can forget that delicious food tasting!?
In Summary, you're just the best! Wishing the whole team continued success and we would hesitate to recommend you to anyone"

Dale & Antonia - September 2022

"Dear Charlotte and the Karen Rhodes Team,
Thank you for everything you did to make our wedding ceremony and reception so perfect. Our Guests are still telling us its has to be the best wedding they've been to and that the food and friendly staff throughout the day was spectacular.
Charlotte, you were a huge help in the days leading up to the wedding and coordinating the day so smoothly! You and your team are wonderful at what you do!

Love Sam & Molly" July 2022

"Hi Charlotte,
I'm struggling to find the words to say how grateful I am to all the staff for my wedding on Saturday (and I'm an English teacher haha!). They were just amazing. My mam said earlier, they truly made the day. To cater for 175 guests (some of which were little ones) in the way that they did was beyond impressive. Nobody was left without wine, canapés, and many guests said they've never seen staff so attentive. The food was unreal and served piping hot. The fact you guys can create food of that quality, in a marquee for 175 guests and also on the hottest day of the year is mind blowing. Thanks so much."

Megan and Patrick - August 2022

"Laura, and the Whole Team!
Thank you so much, you are the best of the best and did everything in your power to make our wedding day completely perfect. You saved the day with table cloths, the food was DIVINE (Adams Mum said it was the best sticky Toffee pud she's ever had and she has an official ranking system!) and all of your team were amazing- beyond professional! We can never thank you enough! Big Love"

Mr and Mrs C - October 2022

"To Lucy, Charlotte & The Karen Rhodes Team,
This is just a note to say a huge thankyou for everything you did for our wedding. The planning process was so slick & made things perfectly simple and easy. The food itself was spectacular (the sharing boards were a crowd favourite and Chris was gutted he missed out on the chipolata nibbles), and the team throughout the weekend couldn't be faulted- Lucy knew what needed to be done before we did!

We cant thank you enough & will not hesitate to recommend you
Love Chris & Elle xxx" - June 2022
