

MICRO WEDDINGS AT TOWN HEAD ESTATE

A MICRO WEDDING

Small but Perfectly Formed

We love our big weddings, but small or “Micro” weddings is how we began, and they will always hold a special place in our hearts. When you book Town Head for your special day, what you will discover is a refreshingly personal and beautifully simple approach that allows you to create memories in a way that truly resonates with you as a couple.

By keeping the focus on the two of you, you can allow yourself to be fully present, embracing each moment with the people who really matter. Your wedding should be as unique as the two of you, and every detail will reflect the things that mean the most, whether that’s a quiet, heartfelt exchange of vows, amazing photography, fabulous florals, a gourmet dining experience, or something else entirely.

Flexibility is key, so from an elopement style wedding with just the two of you, to an exclusive gathering of up to thirty, you will be sure that the wedding you create will be the wedding of your dreams and no one else’s.

Catering options can be formal or informal, allowing you to choose a sit down wedding breakfast in the Barn, or alternatively a drop off buffet or barbeque by the lake whilst you and your guests enjoy the stunning surroundings. If you prefer something a bit different, then why not hire their food van or pizza truck?

Endless Possibilities

You tell us. It's your day, not ours, so we don't want to hold you to a fixed format or package.

Town Head is a blank canvass, so if you would like your wedding to be a picnic by the lake, or a tea party on the croquet lawn, then do just that. You could arrive by car, by boat, or even by helicopter!

You could have a formal drinks reception and traditional wedding breakfast, or have a pizza truck by the Boat House and spend the afternoon paddleboarding with your friends and family. We'll even provide the paddleboards. It could be the two of you, with us as your witnesses, or 30 or your closest friends and family.

Or anything in between.

With a Micro Wedding, if you can imagine your perfect day, we will do our level best to make it happen.

We believe we are Lake District's leading destination wedding venue, and we are here to make sure that your day is as uniquely special as the two of you.
